

FEN LINE USERS ASSOCIATION

...easy ride?

Plans for the Fen Line look pretty good.

However, as a member of the business community, you don't need to be told there's many a slip 'twixt cup and lip!

So will you help us to keep up the momentum, keep up the direction, keep up the pressure, by taking out FLUA corporate membership?

We get the funding we so much need.

You get a business briefing in our regular newsletter *The Fenman* four times a year plus our unrivalled access to the rail companies.
